

2020 RESEARCH AND MISSION AWARD CRITERIA & NOMINATION FORM

***For a scientist in our organization who demonstrates the mission
 and values of Providence Health Care while conducting outstanding research***

Eligibility:

A researcher who conducts an outstanding research program at Providence Health Care (PHC) / Providence Health Care Research Institute (PHCRI) and exemplifies the mission and values of PHC.

Description of Award:

Award to be presented at a PHC Awards Gala on May 29, 2020 and PHCRI Research Day on June 5, 2020. The award includes a plaque and \$2000 to help the recipient attend an international conference of their choice.

Process of Nomination:

- A candidate may be nominated by any individual at PHC and be supported by two PHC staff members – the nominator and two co-nominators.
- The candidate must be informed of the intent to nominate and must be in agreement.
- Nomination is accomplished by completing the nomination form, including signatures of the nominee and nominators.
- The completed nomination form, an abbreviated CV highlighting ten (10) most pertinent publications not exceeding five (5) pages, and a list of previous roles at PHC are to be submitted by the deadline indicated to the Providence Health Care Research Institute (address below).

Recognition Committee:

Vice President, Research & Academic Affairs, PHC; Vice President, Mission, People and Ethics, PHC; and others to be determined by the Vice President, Research & Academic Affairs, PHC.

NOMINATION FORM

We nominate:

<i>Name</i>	<i>Signature</i>
<i>Area/Department</i>	<i>Site</i>
<i>Date</i>	

Nominated by:

(1) _____	_____	_____
<i>Name (Main Contact Person)</i>	<i>Signature</i>	<i>Local/Email</i>
(2) _____	_____	_____
<i>Name</i>	<i>Signature</i>	<i>Local/Email</i>
(3) _____	_____	_____
<i>Name</i>	<i>Signature</i>	<i>Local/Email</i>

CRITERIA

To complete the nomination, please provide one concrete example of how the researcher you are nominating meets each of the following criteria (give specific examples of stories, vignettes, and/or situations):

Criteria 1: Contributes to scientific knowledge at an exceptional level.

Criteria 2: Displays the quality of a team player, is reliable, and contributes to the success of the organization in the context of PHC's mission and vision.

The Recognition Committee will make the ultimate decision to grant the award, based on merit.
