<p><b>Health Information Management (HIM, formerly known as Health Records)</b></p> <p>** For approval for use of any EMR's i.e. Cerner/ CST or Sunrise Clinical Manager please do not use this form, see page 5.</p> <p><b>NOTE:</b> HIM is responsible for the storage and maintenance of discharged patient's charts. PHC Institutional Approval and Ethics Approval is required <b>before</b> HIM can provide access to patient charts for research study purposes. A 'Request for Retrieval/Access to View Patient Health Records Form' will need to be completed and will be issued by HIM. If the research study involves patient charts discharged after April 1, 2006 (for all care levels except Residential Care), PHC PCIS access is required as these patient charts are only viewable electronically.</p> <p>(Forms can be found on Providence Research website under Institutional Approvals)</p> <p>Clinic charts can either be stored on the unit or within HIM.
