## Point-of-Care Nursing & Allied Health Staff

Do you have a **question** from your clinical practice?  
Do you want to **learn more** about the research process?  
The Practice-based Research Challenge is for you!

### Announcing the 5th Annual PHC Practice-based Research Challenge

The Practice-based Research Challenge will:

- **Provide** information, mentorship, and funding for you
- **Help** you learn about research and conduct your own clinical practice project
- **Answer** a question you have about your own clinical practice
- The Research Challenge is designed to support point-of-care staff who do not have research experience; therefore eligible teams must include at least one member who is a point-of-care practitioner (DC-1 level for nursing, Grade 1 or 2 for allied staff)
- **Research** can be conducted on your area of interest, or Knowledge Translation related to a previous research project you've conducted. A \$4000 award is earmarked for a project related to Patient and Family Centred Care.
